**All of the above checked immunizations must be completed an official copy must be submitted to the School Nurse immediately.**

If you believe your student has already received these immunizations then please obtain a copy of their record and submit it to the Nurse's Office promptly so we can update the record. If you believe your student still needs to acquire these immunizations then please schedule an appointment with their healthcare provider, advise me of this appointment date and then submit the updated immunization record to the Nurse's Office once the immunizations are obtained. The Indiana State Law requires these records be updated in a timely manner and your cooperation is appreciated.

Sincerely,

Health Office Nurse
