IMMUNIZATION REFERRAL LETTER TO PARENT

First Notice

Date: _____

Child's Name: _____ Date of Birth: _____

**Your child's record is missing the following required immunizations for the
2019-2020 School Year: (checked off)**

<i>Name of Immunization</i>	<i># Doses Required</i>
<input type="checkbox"/> Diphtheria Toxoid (DTaP)	5 doses
<input type="checkbox"/> Pertussis Booster (Tdap)	1 dose
<input type="checkbox"/> Oral Poliovirus (OPV, IPV)	4 doses
<input type="checkbox"/> Hepatitis B (Hep B)	3 doses
<input type="checkbox"/> Measles and Mumps (MMR)	2 doses
<input type="checkbox"/> Chicken Pox (Varicella)	2 doses
<input type="checkbox"/> Meningococcal (MCV)	1 dose

All of the above marked immunizations must be completed and documented by your health care provider, health department where the child received the immunizations, or must be from an official copy of the official immunization record from the child's previous school (a copy of the original immunization record from the healthcare provider).

The above marked immunizations are missing from your child's immunization records. This does not necessarily mean your child needs to acquire these immunizations; it may just be that our office needs an updated copy of their record. If you believe your child does not need these immunizations then please obtain a copy of their record and submit it to the Nurse's Office promptly. If your child does need to acquire these immunizations then please schedule an appointment with their healthcare provider, advise me of this appointment date and submit the updated copy of the immunization record to the Nurse's Office promptly. The Indiana State Law requires these records to be updated in a timely manner and your cooperation is appreciated.

Please remember that if we do not have a copy of your child's updated and complete immunization record with all of the State required immunizations your child will be excluded from school after September 28, 2020 .

If you have further questions or concerns about immunizations, please feel free to contact the school nurse.

Sincerely,

Karla Levy Health Aid
Health Office Nurse
