Scholl Year 2022-2023 - 30**

Pass Rate - 88.2%

Report 2022-2023 Naturalization Examination Results by Friday, June 30
Public high schools must report results of the naturalization examination to IDOE for students completing the U.S. government course via this Jotform in addition to posting the data on their public website. Results should be submitted upon completion of the trimester or semester following the administration. All results for the 2022-2023 school year should be submitted by Friday, June 30. Non-public high schools may administer the naturalization examination and publish the results on their school website, but are not required to report the results to IDOE. Contact IDOE's Office of Student Assessment with questions
